Why this tool matters

Reclaiming the right to beauty in the everyday environment, proving that decarbonization and social justice must also uplift the human spirit and delight the senses.

Evidence we produce

A completed NEB Self-Assessment Checklist establishing the project's ambition level across the values of "Beautiful, Sustainable, Together" and the working principles of participation and transdisciplinarity.

Duration & Material

Duration · 1 to 2 days for self-assessment workshops

Material · NEB Compass, NEB Checklist tool, project concept documents

Reference case

The TOVA project in Spain utilized NEB principles to create architectural constructions made from rammed earth built with a crane 3D printer, generating zero waste and close to zero carbon emissions, while achieving high aesthetic quality and winning a NEB Prize,. Similarly, the NEBourhoods project in Munich revitalized a 1970s district by deeply combining energy solutions with strong community ties and spatial beauty.

Suggested agenda · Brief (10 min) > Method walk-through (15 min) > Animation canvas (60-90 min) > Harvest (20 min)

New European Bauhaus · 3 inseparable dimensions

Duration

Sustainable

climate & circular

Together

inclusive & accessible

No dimension may be sacrificed for another. Score each separately.

Harvesting our *learnings*

After running the canvas, capture three layers of insight.

What inspires me

Stand-out signals, surprising stories, ideas to remember

How to apply it here

Concrete adaptations to our context, our team, our constraints

What we need to be autonomous

Skills, allies, resources, decisions still to secure

Each participant fills a copy. Then debrief together to surface patterns and next steps.
