Why this tool matters

Upgrading the civic pact, asking citizens, businesses, and institutions to sign a binding, unapologetic contract with the climate, turning 2030 from a distant deadline into an immediate, shared mandate.

Evidence we produce

A formally approved Climate City Contract (CCC) comprising a 2030 Climate Neutrality Commitment, an Action Plan, and an Investment Plan, resulting in the award of the EU Mission Label.

Duration & Material

Duration · 12 to 18 months for CCC preparation

Material · Climate City Contract templates, EU Mission completeness checklists, financial modeling tools

Reference case

Over 100 cities have successfully earned the EU Mission Label. In places like Milan and Valencia, the Climate City Contracts have actively integrated philanthropic networks to fund specific actions, such as urban forestation and renewable energy communities, demonstrating that profound climate neutrality requires a vast, collaborative web of actors far beyond the municipal administration.
