Preparing the workshop · *Conservation Management Plan (CMP)*

G4 · Proof of Sustainability

Why this tool matters

Making a pact with future generations; writing down a solemn promise that the beauty and history we inherited today will be fiercely protected for tomorrow.

Evidence we produce

A formal, ratified document that outlines the site's significance, identifies conservation policies, and assigns specific long-term maintenance responsibilities to distinct actors,.

Duration & Material

Duration · 6 to 12 months to draft and adopt the plan

Material · Statutory planning documents, heritage significance assessments, financial forecasts

Reference case

The management plan for the Old Town of Corfu, a UNESCO World Heritage site, utilized systematic methodologies and indicators to monitor the overall performance of the site. It established concrete action plans and legislative instruments to coordinate the activities of all municipal operators and guarantee the site's long-term conservation,.

Suggested agenda · Brief (10 min) > Method walk-through (15 min) > Animation canvas (60-90 min) > Harvest (20 min)

CMP cycle · understand · plan · act · monitor

Duration
6 to 12 months to draft and adopt the plan

1. Understand

history, fabric, values, threats

D1

D2

D3

D4

2. Significance

declare what is most important

D1

Harvesting our *learnings*

After running the canvas, capture three layers of insight.

What inspires me

Stand-out signals, surprising stories, ideas to remember

How to apply it here

Concrete adaptations to our context, our team, our constraints

What we need to be autonomous

Skills, allies, resources, decisions still to secure

Each participant fills a copy. Then debrief together to surface patterns and next steps.
